SCHAEFFLER

Material Compliance Declaration

18/09/2026

Dear Sir or Madame,

Schaeffler is a global company with customers in all areas of industrial applications and is doing continuous efforts to meet product material requirements in order to comply with applicable regulatory requirements in the qmarket.

To the best of our knowledge as of the date of this document the product(s):
H207

is:

- **in compliance** with the substance restrictions of EU-REACH Regulation (EC) No. 1907/2006 (consolidated version 01/05/2022)
- **in compliance** with the substance restrictions of EU RoHS Directive [Directive 2011/65/EU (consolidated version 01/11/2021)]

This information is based on available information provided by the material supplier and our knowledge of the product composition.

For further questions about additional product material compliance and other technical compliance requirements, please contact your local Sales Representative.

Best regards,
Schaeffler AG
